

How to create your own successful project

Name: _____

Write instructions on how to create your own successful project

Your brief on How to Write Instructions for a friend:

Once you have read 'How to create a successful project' in the reading lesson, create your own mind map with these sub-headings:

- ⇒ DECIDING ON A TOPIC (IF YOU ARE GIVEN A CHOICE)
- ⇒ PLANNING OUT YOUR PROJECT
- ⇒ PUTTING YOUR PLANNING INTO ACTION

Your mind map must be customised for a project that you are doing or have done in the English class. Your aim is to help a friend create a successful project.

How to create your own successful project

Note: When you have completed the mind map, use the template on the next page to write your personalised instructions for a friend.
